

## SEA CONTAINER FOR SRI LANKA

On Friday 20 March 2009 we loaded the sea container to Sri Lanka with computers, sewing machines, school packs, craft items, clothes and shoeboxes of toys. The journey is expected to take four weeks. The aid will be used to help the widows, children and the poor whom Smile Lanka is helping via the Smile Centre in Hambantota, providing equipment to help with skills training/job creation, and education for the children.

Thank you to everyone who helped with the loading and to all those who contributed prayers, goods and finances to make this possible. We would also like to thank Access Self Storage for their continued support for Smile, as well as Blythswood Care and Arco for their donations of packing boxes.
