

Can you help children in poor areas of the world enjoy a colourful and creative time at school?

We are collecting craft items to send out on our aid trucks to needy areas where the schools and children's clubs cannot afford basic educational supplies:

Please send your items to the Smile office or contact us for details of collection points in your area. We regret we cannot take items in glass bottles. Closing date **21 October 2005**. Visit our website for more information on Smile's projects helping those in need around the world.

Thank you for your support
